KAMERON STURGESS

kameronsturgess@gmail.com | 705-795-7959 | github.com/KameronSturgess

Skills

Languages: Java, SQL, Python, JavaScript/ Typescript, HTML, CSS, Swift, C, MATLAB

Technologies: React, Material UI, Express, Git, Flask

Education

University of Toronto   *2017-2021*

Bachelor of Science in Mathematics and Computer Science

Relevant Coursework

Software Engineering, Algorithms and Data Structures, Databases, Discrete Mathematics, Number theory

Experience

Starbucks

BARISTA TRAINER, 11/2015 – 08/2017

Customized training strategies based on individual knowledge. Ensured the store was properly secured and all tasks were completed to close the store nightly.

BROOKDALE TREELAND NURSERIES

CLIENT SERVICES REPRESENTATIVE, 05/2018 – 07/2018

Worked with management at multiple locations to ensure all products were received and displayed correctly. Assessed needs of stores to modify any orders resulting in a reduce in wasted product.

Projects

Game Centre app for Android
Designed a game center with multiple games using Java and android studio. Created an account and high score system for personal and global scoreboards.

BriAccess PWA
Progressive web app built with ReactJS to improve communications between police, firefighters, EMTs and the deaf. Designed as a replacement for the paper version that reduced stop times by nearly 50%.

Personal Website
Progressive web app built with ReactJS to improve communications between police, firefighters, EMTs and the deaf. Designed as a replacement for the paper version that reduced stop times by nearly 50%.
